ADDENDUM #2

REQUEST FOR PROPOSAL # 13006

Interior Design Services

RFP RESPONSE Due Date: Wednesday, January 16, 2013, at 2:00 pm LOCAL TIME

Please note the following clarifications, revisions, and/or additions to the RFP documents.

QUESTION 1: Addendum #1 Question #50 Answer Clarification

In the answer you are implying that the design firms that are short listed will be presenting their designs for final selection. Design elements are typically not presented prior to signing of a contract rather after contract and meetings with staff to further understand the needs of the project. How would the design firm know what to present without knowing more about the community?

RESPONSE: It is the intent that the short listed vendors will present their design concepts to the review committee in the best way they see fit. Final designs that are agreed and approved by the County and the awarded vendor as part of the contract work will be presented after execution of contract.
